

CAREER WIRED

HIGH SCHOOL ⇔ **EMPLOYMENT, TRAINING, MILITARY**

WHO:

Now recruiting candidates who:

- Are a sophomore, junior or senior
- Will be at least 16 years old by July 1
- Meet program eligibility
- Want assistance in creating a post-high school career plan

WHAT:

Your Career Advisor will lead you through a series of activities to help you:

- Learn about your interests and skills
- Gain valuable work experience
- Connect class work to careers
- Create a portfolio linked to your post-high school goal: a job, college/training or military
- Learn skills that will help you find a job and stay employed

You will participant in Career Wired for up to 2 years. The following activities will help prepare you for life after high school graduation:

- Summer work experience before your junior year
- Quarterly meetings and activities with your Career Advisor throughout your junior year
- Summer work experience, job shadowing, internship or a job on your own before your senior year
- Monthly meetings and activities with your Career Advisor throughout your senior year
- Assistance in securing employment or training after graduation
- Up to one year of follow up support

WHEN AND WHERE:

Some activities will take place at your high school during a time that works best for you. Other activities may take place at the PA CareerLink® office or other location.
