

Participate in the Northern Tier CEDS Survey

The Northern Tier Regional Planning and Development Commission (NTRPDC) invites all residents, business owners, community leaders, and stakeholders to participate in the Comprehensive Economic Development Strategy (CEDS) survey. The planning process is intended to bring public and private sectors together to provide a baseline of information, set forth goals and establish targeted strategies and performance measures for documenting successful economic and community development. This integration of coordinated economic development also provides for the sharing of talent and resources and provides the flexibility to adapt to regional economic conditions. The CEDS is designed to encourage the exchange of meaningful strategies on how communities can soundly manage growth and development to efficiently and effectively link Land Use, Transportation, and Economic Development decision making at a regional level. As we navigate the ever-changing landscape of economic development, your insights and feedback are critical. The CEDS survey provides a unique opportunity for you to influence decisions and help us design strategies that will enhance the prosperity and well-being of our communities. Your participation in the CEDS survey is a tangible way to contribute to the planning for our region.

Why Participate?

The NTRPDC CEDS survey is your chance to:

1. **Share Your Vision:** Express your aspirations and ideas for the future of our region's economy.
2. **Influence Policy:** Contribute to the development of strategies that address the challenges and opportunities in our area.
3. **Strengthen Collaboration:** Foster partnerships between local governments, businesses, and organizations for a more resilient and prosperous community.
4. **Support Growth:** Help identify key industries and sectors to focus on for sustainable economic growth.
5. **Enhance Quality of Life:** Promote initiatives that improve the overall quality of life in our communities.
